CIVIL APPELLATE JURISDICTION
C.M. APPL. NOS. 53193 OF 2025 (Delay in Re-Filing)
AND
C.M. APPL. NO. 53197 OF 2025 (Delay in Filing)
IN
FAO(OS) NO. 96 OF 2025

IN THE MATTER OF:

Progressive Constructions Ltd. ... Appellant

Versus

Sharma & Associates Contractors Pvt. Ltd. ... Respondent

REJOINDER TO THE REPLY FILED BY THE RESPONDENT TO
THE APPLICATIONS FOR CONDONATION OF DELAY IN FILING
AND REFILING THE APPEAL

MOST RESPECTFULLY SHOWETH:

1. That the accompanying Appeal in terms of Section 39 of the Arbitration Act, 1940 read with Section 10 and relevant rules of the Delhi High Court Rules arises out of an impugned final order / judgment dated 03-12-2024 passed by the Ld. Single Judge of this Hon'ble Court in CS (OS) No. 1751 of 2015, whereby the Hon'ble High Court proceeds to dismiss the objections so raised by the Appellant and allowing the Plaint, making the Arbitral Award dated 20-03-2015 an order of the Court in terms of Section 14 of the Arbitration Act, 1940.
2. That at the outset and without prejudice, the Appellant denies each and every averment / contention / submission made by the Respondent in their reply with respect to the delay in filing and refiling of the Appeal. As a matter of fact, the calculation made by the Respondent on the aspect of delay is incorrect and misleading and as such baseless and unfounded. Hence, the averment / contention / submission made therein are denied as being false and misleading.
3. That for the purposes of appreciating the aspect of delay in particular in filing and refiling the accompanying Appeal, it may be pertinent to take in

account the timeline and proper chronology of events, which are being extracted hereinafter for ready reference and convenience:

- (a) Pursuant to the Ld. Single Judge of this Hon'ble Court having reserved the judgment vide its order dated 29-05-2024, the impugned final order / judgment making the award an order of the court in terms of Section 14 of the Arbitration Act, 1940 was passed on 03-12-2024. While the aforesaid impugned final order / judgment was pronounced on 03-12-2024, the same was uploaded on the website of this Hon'ble High Court on a later date.
- (b) The certified copy of the impugned final order / judgment was duly applied with the registry of this Hon'ble Court on 05-12-2024 itself. As per the record, the same was prepared as on 10-12-2025. It was only on 01-02-2025 when the certified copy of the impugned final order / judgment was collected from the registry of this Hon'ble Court. The delay was primarily on account of certain personal factors apart from the ensuing winter break, which included sudden death in the family of the authorised signatory of the Appellant due to which the Authorised Signatory was forced to travel back to Andhra Pradesh and as such proper instructions regarding filing of the Appeal could not be obtained in a timely manner and the clerk who was entrusted with the said matter also had to travel back to West Bengal due to some family exigencies. As soon as instructions on filing the Appeal was obtained, the accompanying Appeal was filed with the registry of this Hon'ble Court on 03-02-2025, itself. It was in this backdrop, that a delay of 26 days had occurred.
- (c) Pursuant to the accompanying Appeal having been filed with the registry of this Hon'ble Court on 03-02-2025, the registry of this Hon'ble Court proceeded with marking defects as 04-02-2025 at about 5:30PM. The very defect marked by the registry was with regards to maintainability of a FAO(OS) against the impugned final order /

judgment dated 03-12-2024. Having perused the defects so marked by the registry of this Hon'ble Court, the associate working on the accompanying Appeal made inquiries and was informed to change the nomenclature of the Appeal from FAO(OS) to FAO. A true copy of the Defect Sheet dated 04-02-2025 as mailed by the registry of this Hon'ble Court is hereto marked as Annexure X-1

(d) Accordingly, necessary amendments to the nomenclature and the body of the Appeal including indexing of annexures were carried out and the Appeal was refiled with the registry of this Hon'ble Court on 17-02-2025. The registry of this Hon'ble Court again proceeded with marking defects on 17-02-2025 itself, whereby raising a similar objection with regards to maintainability of a FAO against the impugned final order / judgment. The associate working on the matter, again approached the registry of this Hon'ble Court and informed that the amendment from FAO(OS) to FAO was carried out only after making inquiries with the concerned officials. However, the associate was instructed to change the nomenclature back from FAO to FAO(OS). As such necessary amendments were carried out and the Appeal was refiled with the registry of this Hon'ble Court on 03-03-2025 as FAO(OS). A true copy of the Defect Sheet dated 17-02-2025 as mailed by the registry of this Hon'ble Court is hereto marked as Annexure X-2

(e) Pursuant to having refiled the Appeal on 03-03-2025, the registry of this Hon'ble Court proceeded with marking defects on 04-03-2025, wherein the registry of this Hon'ble Court did not only mark defects with respect to maintainability of the Appeal as FAO(OS) but even proceeded with marking defects for not filing typed / legible copies of annexures filed in support of the Appeal. At this juncture, it may be pertinent to note that the said objection with respect to non-filing of typed / legible copies of the annexures was marked despite the fact

that the Appellant had filed an application seeking exemption from filing typed / legible copies of the supporting annexures. A true copy of the Defect Sheet dated 04-03-2025 as mailed by the registry of this Hon'ble Court is hereto marked as **Annexure X-3**

(f) In the said backdrop, it may not be out of place to mention that the present Appeal prima facie pertains to a contract that was executed between the Appellant and THDC in the year 1989 and was sub-contracted to the Respondent in terms of an Agreement of Sub-Contract dated 18-04-1989. Not only were the documents that were required to be typed voluminous but were also not legible. As such, a substantial period was taken in typing the annexures that are filed in support of the accompanying Appeal. Accordingly, the accompanying Appeal was refiled with the registry of this Hon'ble Court on 30-05-2025. Even though typed copy of the annexures were filed along with the Appeal, the registry proceeded with marking defects with respect to filing a typed copy of all the annexures. A true copy of the Defect Sheet dated 31-05-2025 as mailed by the registry of this Hon'ble Court is hereto marked as **Annexure X-4**

(g) The ensuing summer vacation was utilised in typing the remaining set of annexures that were being filed in support of the Appeal. Accordingly, pursuant to the Hon'ble High Court having resumed, the Appeal was refiled with the registry of this Hon'ble Court on 28-07-2025. The registry thereafter proceeded with marking defects on 28-07-2025 wherein the registry for the very first time indicated that the accompanying Appeal was time barred. Accordingly, steps were initiated for seeking approval on the application and obtaining supporting affidavits for the said Application. A true copy of the Defect Sheet dated 28-07-2025 as mailed by the registry of this Hon'ble Court is hereto marked as **Annexure X-5**

- (h) Accordingly, pursuant to having carried out necessary amendment, the accompanying Appeal was filed with the registry of this Hon'ble Court on 05-08-2025. The registry thereafter proceeded with marking defects on 07-08-2025 whereby requiring the Appellant again to file typed copy of certain annexures and requiring the Appellant to serve the Respondent or its counsel apart from certain other objections with respect to vakalatnama. The defects so marked were immediately attended to and refiled on 07-08-2025 itself. A true copy of the Defect Sheet dated 07-08-2025 as mailed by the registry of this Hon'ble Court is hereto marked as **Annexure X-6**
- (i) The registry of this Hon'ble Court thereafter proceeded with marking defects on 08-08-2025. Pursuant to which the associate working on the accompanying Appeal approached the concerned officer-in-charge and again explained the regime of the Arbitration Act, 1940 and maintainability of FAO(OS) against the impugned final order / judgment dated 03-12-2024. The accompanying Appeal was thereafter refiled curing all the defects therein when the registry of this Hon'ble Court raised a defect with respect to a particular page being blank in the Appeal paperbook. The defects so marked by the registry of this Hon'ble Court were duly attended to and the accompanying Appeal was refiled, when certain minor defects were pointed out marked by the registry of this Hon'ble Court on 12-08-2025. A true copy of the Defect Sheet dated 08-08-2025 as mailed by the registry of this Hon'ble Court is hereto marked as **Annexure X-7**
- A true copy of the Defect Sheet dated 12-08-2025 as mailed by the registry of this Hon'ble Court is hereto marked as **Annexure X-8**
- (j) It was again on 25-08-2025 when the registry indicated that certain prayer had to be amended. Accordingly, the amendment was carried out and the appeal was filed with the registry of this Hon'ble Court. A true

copy of the Defect Sheet dated 25-08-2025 as mailed by the registry of this Hon'ble Court is hereto marked as Annexure X-9

4. That a bare perusal of the defects so marked and the ensuing actions taken would clearly indicate that all efforts were taken to cure the defects in a timely manner. The delay in filing and refiling of the accompanying Appeal was neither deliberate nor wilful, instead was only due to attending the objections that were raised by the registry over the period of time.
5. That the Appellant prima facie has a very strong case on the merits of the Appeal for the very reason that the present case is a classic case wherein the Appellant is being compelled to pay for the inactions of the Respondent itself. Further, it is a matter of fact that the amount that was received by the Appellant was duly paid to the Respondent in terms of the Agreement of Sub-Contract dated 18-04-1989, which ought to have been the basis for passing the award.
6. That in light of the aforesaid the Appellant most humbly prays that the delay in filing and refiling the accompanying Appeal be condoned by this Hon'ble Court since the same was neither deliberate nor intentional.
